Introduction

Saracens Multi-Academy Trust Limited (SMAT) is a private company limited by guarantee (number 10646649), first registered on 1st March 2017. Its formation was sponsored by Saracens Limited. It is also an exempt charity which is not required to be registered with the Charity Commission.

A summary of the objects of the company are to:

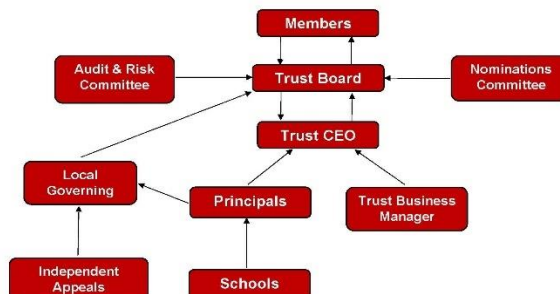

- Establish mainstream academies offering a broad and balanced curriculum (Mainstream Academies)
- Establish alternative provision academies for children who may not be able access education in mainstream academies by reason of illness or exclusion from school or some other reason (Alternative Provision Academies)
- Establish academies for pupils aged 16 to 19 (16 to 19 Academies)
- Establish schools for children with special educational needs (Special Academies)
- Promote the provision of facilities for recreation or other leisure activities for the local communities in the vicinity of each academy.

The SMAT must ensure that each academy is at the heart of its community, promotes cultural cohesion and shares its facilities with other schools and the wider community.

Governance of Saracens Multi-Academy Trust

Saracens Multi-Academy Trust has been established to run multiple academies and has three main layers of governance; the Members of the Trust, The Board of Trustees, and the Local Governing Body (LGB). The Board of Trustees of the Trust has chosen to delegate some of its functions to the Chief Executive Officer (CEO), Local Governing Bodies of each school and other committees. Details of this delegation are detailed in this document. The aim of this plan is to ensure that there is no duplication of roles between the Trust Board, CEO, Local Governing Bodies, and other committees.

The governance structure of the Trust is shown in this diagram:

Details of the school's structure and governance is published on the Trust and school websites.

Community Engagement

The Trust has a duty to promote community cohesion. Through its Local Governing Bodies and the Principal of each school the Trust is connected to and answerable to its community. The Principals regularly communicate with parents and carers through parent/teacher consultations, the school website, social media, subject specific emails, and newsletters. The LGBs and Principals may seek parental and carer opinions of specific subjects through surveys and other means and use the results to inform their decision making. Feedback to inform the Trust's governance and decision-making is through the Chief Executive Officer (CEO). The Principal, staff, pupils, and Governors participate in community activities.

Vision of Saracens Multi Academy Trust

Enriching lives through education by developing lifelong learners who will thrive in life beyond school.

Ethos

To realise our vision, we embrace and live our core Saracens Values of Discipline, Honesty, Hard Work and Humility by:

- Ensuring our schools are orderly, safe, and joyful places where our pupils are governed and guided in their behaviour by fair and sensible principles.
- Empowering our staff to embrace the latest thinking and use teaching styles that reflect the culture of success and commitment to character development, with achievement celebrated as warmly as attainment.
- Retaining a focus on supporting those communities most in need, striving for equality of opportunity for all. Build community hubs around our schools, through mutually benefitting partnerships with local businesses, organisations, and individuals.
- Insisting on an honest appraisal of the efforts and attitude of staff in their work and pupils in all areas of their education and school life.
- Creating an environment where all members of the school community work incredibly hard to fulfil the potential of each individual and strive for continuous improvement in everything that we do.

- Placing equal emphasis on character education and enrichment as academic attainment, so that pupils are prepared for life beyond school.
- Creating a quality of life for all staff and pupils that is both enjoyable and impactful, to make memories that they take pride in and cherish for the rest of their lives.
- Utilising the networks of the broader Saracens family to strengthen our school communities.
- Achieving our outcomes sustainably, through strong financial governance and protecting and nurturing our surrounding environment.

Safeguarding

Safeguarding arrangements at Saracens Multi-Academy Trust are embedded into everything the Trust does and are underpinned by five key principles:

- Safeguarding is everyone's responsibility: all Trustees, staff, Governors, and volunteers should play their full part in keeping children safe;
- We aim to protect children using national, local, and school child protection procedures;
- We aim to work in partnership and have an important role in multi-agency safeguarding arrangements, as set out in *Working Together 2018* (updated 2022);
- That all Trustees, Staff, Governors, and Volunteers have a clear understanding regarding abuse and neglect in all forms; including how to identify, respond and report. This also includes knowledge in the process for allegations against professionals. Trustees, Staff, Governors, and Volunteers should feel confident that they can report all matters of Safeguarding concern in any School where the information will be dealt with swiftly and securely, always following the correct procedures with the safety and wellbeing of the children in mind.
- That we operate a child-centred approach: a clear understanding of the needs, wishes, views and voices of children.

All Trustees, Governors, staff, and volunteers undertake safeguarding training (including Prevent) when they join the Trust, followed by regular (usually annual) update training. Full details of individual responsibilities are detailed in the Trust's Child Protection and Safeguarding Policy (published on the Trust and school websites).

Each LGB ensures that each school has a nominated link Governor for Child Protection and Safeguarding who can also provide a link to the Local Authority on matters of Safeguarding in their school, liaising with other partners and agencies. All Trust schools have a nominated Link Governor for Looked After Children, Anti-Bullying and SEND alongside other nominated leads in the School;

Each school has at least one Designated Lead(s) [DSL] for Child Protection, appointed from the Senior Leadership Team who is fully equipped and trained to undertake this Safeguarding role.

The Trust has a Lead Trustee for Safeguarding who works with the nominated link Governors for Child Protection and Safeguarding and the DSLs to develop and maintain best practice in Safeguarding and training within the Trust.

Data Protection and GDPR

Saracens Multi-Academy Trust (the Trust) and its schools aim to ensure that all personal data collected about staff, pupils, parents, Trustees, Governors, visitors and other individuals is collected, stored and processed in accordance with the General Data Protection Regulation (GDPR) and the provisions of the Data Protection Act 2018 (DPA 2018).

The Board of Trustees has overall responsibility for ensuring that the Trust and the schools comply with all relevant data protection obligations.

To ensure independent advice the Trust has appointed an external data protection officer (DPO) who is responsible for overseeing the implementation of the Trust's Data Protection Policy and monitoring the Trust's compliance with data protection law. The appointee and contact details are detailed in the Trust's Data Protection Policy. The DPO advises the Deputy Data Protection Officer on developing related policies and guidelines

The Deputy Data Protection Officer (DDPO) is the Trust Business Manager.

The DPO and DDPO provide an annual report of their activities directly to the Local Governing Body and through the LGB to the Board of Trustees. This report includes any recommendations on school and Trust data protection issues. The DDPO is also the first point of contact for individuals whose data the school processes, and for the Information Commissioner's Office (ICO).

Code of Conduct

All Trustees agree to comply with the Trustee Code of Conduct and Nolan Principles of Public Life as detailed in Appendix 1. All Trustees, Governors and staff are required to disclose any potential conflicts of interests during all meetings.

Register of Interests

The Trust maintains an up-to-date register of all relevant business and pecuniary interests of Members, Trustees, Governors, and senior staff. Details of an individual's interests are published throughout their appointment and for 12 months after they step down. Details can be found on the Trust and school websites.

Meeting Timetable

A timetable of Board and committee meetings is agreed at the Spring meeting of the Trust in each academic year and published on the Trust and School websites. Additional meetings can be arranged at short notice if required. Meetings may take place in person, remotely by audio-visual means, or in hybrid form.

The Clerk issues the agenda and papers for each meeting approximately 6 days before it is held. Non-confidential minutes and papers are available for inspection at all Trust schools and offices by appointment.

The Members of the Trust

The Members of the Trust are the subscribers to the Trust's Memorandum of Association and they have limited financial liability for the Trust. Saracens Limited (the original sponsors of the Trust) can appoint up to 4 Members (the minimum number of Members is three), and the Members may appoint other Members by special resolution. No employee of Saracens Multi-Academy Trust may be a Member. The majority of Members must not also be Trustees of the Trust.

They are the guardians of the educational vision and have overall control of the company, overseeing the achievement of its objectives and assuring themselves that the governance of the Trust is effective. The Members receive reports on the finances of the Trust and receive the accounts at their AGM. The Members appoint the auditors on the recommendation of the Trust Board.

The Members may amend the Articles of Association (subject to any restrictions in any funding agreement or charity law). They may, by special resolution, issue a direction to the Trustees to take a specific action.

The Members have the power to change the company name and ultimately, to wind it up.

The CEO advises Members of any issue that might materially impact the reputation or operation of the Trust, unless the matter relates to the conduct of the CEO in which case responsibility to keep Members informed lies with the Chair of the Trust.

The Members can appoint up to 9 Trustees and may remove Members and Trustees from office. The appointment of any new CEO as a Trustee must be approved by the Members.

The Board of Trustees

The Trustees of the Saracens Multi-Academy Trust are both charity trustees and company directors. The Trustees oversee the running of the Trust and determine its strategic direction. They are responsible of ensuring compliance with:

- Charity and company law
- The articles of association of Saracens Multi-Academy Trust Ltd
- The funding agreements for each school within the Trust
- The Independent School Standards regulations
- SEND legislation
- Health and Safety Law
- Other statutory and regulatory requirements

In their role as company directors the Trustees must:

- Act within their powers
- Promote the success of the company

- Exercise independent judgement
- Exercise reasonable care, skill, and diligence
- Avoid conflicts of interest
- Not accept benefits from third parties
- Declare interest in proposed transactions or arrangements.

The Trustees have a duty to promote the success of the Trust and its schools. The Trustees must ensure regularity and propriety in use of the Trust's funds, and achieve economy, efficiency and effectiveness – the three elements of value for money. The Trustees must also take ownership of the Trust's financial sustainability and its ability to operate as a going concern.

The Trustees focus on the **three core functions of governance**:

- **ensuring clarity of vision, ethos and strategic direction**
- **holding executive leaders to account for the educational performance of the organisation and its pupils, and the performance management of staff**
- **ensuring stewardship of public funds to achieve economy, efficiency and effectiveness**

The minimum number of Trustees is 3. There is no maximum number. The Members appoint up to 9 Trustees and the Trustees may choose to co-opt additional Trustees. The Chief Executive Officer of the Trust (CEO) may be appointed as a Trustee by the Members. The CEO may decline to be appointed as a Trustee. No more than one fifth of the Board can be LA associated (see DfE Governance Handbook for details).

Trustees are usually appointed for a 4-year term, but may be reappointed by the Members for a maximum of 3 terms of 4 years. There is no time limit on the appointment of the CEO as a Trustee.

The Chair and Vice Chair of the Board are elected each school year by the Trustees. The Chair is responsible for ensuring the effective functioning of the Board and setting professional standards of governance. All Trustees must complete induction and ongoing training.

The Trustees must appoint a professional, independent Clerk (Governance Professional) to enable effective organisation and administration of the Board's business and support them in the exercise of their duties. The Clerk cannot be the CEO, Trustee or Governor.

The Trustees appoint the Chief Executive Officer (CEO), Principals of each school and Clerk. They must appoint an Accounting Officer (usually the CEO) and a Chief Financial Officer (known as the Trust Business Manager).

The Terms of Reference for the Trust Board are detailed in Appendix 2.

Delegation by the Trustees

The Trustees may delegate their powers and functions in writing to any Trustee, committee, Local Governing Body (LGB), CEO or other officer.

Except for LGBs, the majority of members of each committee must be Trustees. There must be up to two parent governors on each LGB.

The Trust Board determines the financial and non-financial schemes of delegation to ensure clear lines of accountability and to ensure no overlap of responsibilities. These schemes must be complied with to ensure effective governance of the Trust. The Trust Board has a strategic role and must avoid routine involvement in operational matters and focus on holding the CEO to account for exercising their professional judgement in these matters and all of their other duties. In exceptional circumstances where the Trust or a school may be in breach of a statutory duty, the Trust Board may intervene in operational matters.

Where the Trust Clerk considers that the Board, any committee is seeking to act in a manner beyond their terms of reference, the Clerk will draw this to the attention of the appropriate Chair who will take action to ensure compliance.

When this plan is reviewed, Trustees will review the terms of reference, constitution, and membership composition of each committee (including LGBs).

Chair's Emergency Actions

The Chair of the Trust Board is authorised to take decisions where action must be taken in a timescale which does not facilitate the convening of an emergency Board meeting or decision making by Trustees by electronic means. Any such decision will be reported to and minuted at the next meeting of the Board.

Delegation to the Chief Executive Officer (CEO)

The CEO is the executive leader and head of line management of the whole of the Trust. The CEO is responsible for the operation and day to day running of the Trust. It is the CEO's job to implement the strategic framework established by the Board and there must be clear separation between the strategic oversight of the Trust Board and operational executive leadership of the CEO. The Board holds the CEO to account for improving pupil and staff performance. The CEO line manages each Principal, and with the support of the LGB of each school holds each Principal to account for the day-to-day performance of their school, including the performance management of their staff. With the exception of the CEO's appointment, the Clerk and Principals, the CEO is responsible for the appointment and dismissal of all staff, but may also take this decision based upon the recommendation of a Principal or TBM. The CEO approves and monitors the progress of each school's Development Plan and where relevant, Improvement Plan.

The CEO also fulfils the role of **Accounting Officer**. The role of Accounting Officer includes specific responsibilities for financial matters. It includes a personal responsibility to Parliament, and to ESFA's Accounting officer, for the financial resources under the Trust's control ensuring compliance with the funding agreement and The Academy Trust Handbook (ATH). The Accounting Officer must be able to assure Parliament, and the public, of high standards of probity in the management of the Trust's public funds, particularly regularity, propriety and value for money.

The Accounting Officer must advise the Board in writing if an action it is considering is incompatible with the Articles, funding agreement or ATH. Similarly, the Accounting Officer must advise the Board in writing if the Board fails to act where required to by the funding agreement or ATH. Where the Board is minded to proceed, despite the Accounting Officer's advice, the Accounting Officer must consider the Board's reasons and if the Accounting Officer still considers the action proposed by the Board to be in breach of the Articles, the funding agreement or ATH, the Accounting Officer must notify ESFA's Accounting Officer in writing immediately.

The CEO line manages the TBM and Principal(s) and **any instruction from the Board to them (or any other member of staff), or any request from the Audit and Risk Committee, Nominations Committee or Local Governing Body must be made through the CEO to ensure effective and efficient management.**

In emergency the CEO is authorised to take action to ensure the safety of staff and pupils, including school closures. Where possible this will be taken in consultation with the relevant Principal and Chair of the LGB. Where possible, decisions relating to the welfare of the whole Trust will be taken in consultation with the Chair of the Trust Board.

When the CEO is planning to leave the trust (for example retirement or resignation), the Trust Board must approach their DfE Regional Director in advance to discuss the Trust's structure and options, including plans for recruitment.

Delegation to the Trust Business Manager (TBM)

The Trust Business Manager is the Chief Financial Officer (CFO) of the Trust and is an employee. The TBM has responsibility for the Trust's detailed financial procedures. The TBM is a member of the senior leadership team of each school and has both a technical and leadership role. The TBM must be appropriately qualified and/or experienced and have a business or accountancy qualification, hold membership of a relevant professional body and undertake relevant ongoing training.
